EXAMINER'S AMENDMENT AND ALLOWANCE

1. Pursuant to the BPAI decision mailed on April 27, 2006 and affirming the examiner in-part, the following examiner's amendment serves to cancel all pending claims under rejection. Out of pending claims 33-54, claims 33-52 remain rejected under 112, first paragraph and the prior art. Independent claim 53 is not rejected, and therefore allowable. Claim 54, which is the sole dependent claim of claim 53, remains rejected over the prior art (i.e., affirmed by the BPAI) because it was not argued separately on appeal. However, given that claim 53 is allowable over the prior art, so too is claim 54 by dependency and therefore both are passed to issue.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David L. Nocilly (Reg. 48,259) on May 31, 2006.

The application has been amended as follows:

Cancel claims 33-52.

3. Claims 53 and 54 are allowed.
